Community Living Learning Commitment

EuNC is a **community of learners**. As an institution of higher education, it is attended by scholars and by those who seek knowledge for use in God's kingdom. Whatever role or title its members hold, they are expected to learn from one another, to be teachable, and to be growing in their faith and identity in Christ.

As a learning community, EuNC is committed to **authenticity and integrity**. We believe that no faith journey, nor any academic pursuit of value, is taken alone. We are accountable to one another in our studies and in our lives. Eventually, what affects one of us will affect us all. In light of this, we view academic dishonesty as a direct violation of our community, and we believe that a wasteful, half-hearted pursuit of knowledge and truth damages both the individual and the community of learners as a whole.

EuNC is a **faith community**. Our members do their utmost to respect and value one another. We do our best, as individuals and as a community, to pursue a closer relationship with God and to reflect His likeness. The lives we live are not divided into the "sacred" and the "secular." All that we do, we do in front of God, and we encourage one another to pursue Him with "our whole hearts."

As an **international** faith community, EuNC is committed to respecting the diversity of God's kingdom. We are a learning community that benefits from the influence of many cultures and a wide variety of life experiences, and we value and respect these differences. We strive to be inclusive and hospitable, for whatever our differences, we are bound by the grace and all-inclusive love of God and are a part of his work in the world.

Blessed in so many ways, EuNC is, and is committed to be, a **community of gratitude**. We realize that few in the world have access to this opportunity of community and this level of academic study. We also realize that we are benefiting from the sacrifices and commitments of many others. As we are entrusted with knowledge, we seek to share it, to use it for others' benefit. Grateful for the influence of one another, we invite others to join, and we hope to more effectively touch the world around us. Offered a place of refuge and growth, we desire to extend this sort of haven into other lives, other places.

Statement of Belief

European Nazarene College is an institution of the Church of the Nazarene and as such the curriculum, teaching and standards of conduct are guided by the Statement of Belief and the Guidelines for Christian living as set forth in the Manual of the Church of the Nazarene. EuNC welcomes students from other Christian persuasions who feel that they can benefit from the nature and quality of education provided by EuNC.

We believe:

1. In one God – the Father, Son and Holy Spirit.
2. That the Old and New Testament Scriptures, given by plenary inspiration, contain all truth necessary to faith and Christian living.
3. That man is born with a fallen nature, and is, therefore, inclined to evil, and that continually.
4. That the finally impenitent are hopelessly and eternally lost.
5. That the atonement through Jesus Christ is for the whole human race; and that whosoever repents and believes on the Lord Jesus Christ is justified and regenerated and saved from the dominion of sin.
6. That believers are to be sanctified wholly, subsequent to regeneration, through faith in the Lord Jesus Christ.
7. That the Holy Spirit bears witness to the new birth, and also to the entire sanctification of believers.
8. That our Lord will return, the dead will be raised, and the final judgment will take place.
